**The Referee Grades for SMYS are A, B, C, D, and E; the grade indicates the minimum level required to referee a particular group. An "A" grade is given to adults and an "E" is for entry level. A "B" level is given to our highest skilled youth referees. The "+" sign next the the letter grade indicates a referee that has some experience and has shown proficiency as determined by the Head Referee/Assignor/Mentors.
